

Exam concession: Prompter

The prompter's guide

- ↗ I am here to keep you focussed on the need to answer a question and then move on to answering the next question.
- ↗ I can't tell you how much time to spend on each question.
- ↗ I can't advise you which questions to do or which order to do them in.
- ↗ I cant help you to answer the questions

Student guide:

Sometimes it is difficult to keep focussed in exam environments. Your prompter is there to help you to keep focus on a question and to help you to move on to answering the next question.

The prompter will remind you to focus at regular points throughout the exam with a flashcard stating 'keep focusing'.

The prompter will remind you when you have 15 minutes left of the exam with a flashcard stating '15 minutes left'.
