**GCE results day – 14<sup>th</sup> August 2025 – in 6<sup>th</sup> form block from 8am**

**GCSE results day – 21<sup>st</sup> August 2025 – in Sports Hall from 9am**

Sixth form enrolment will take place on results day – 21<sup>st</sup> August 2025

Students are able to nominate someone else to collect their results on their behalf. The student will need to provide written, signed authorisation to confirm who is collecting their results. The nominated person will also need to bring a form of photographic ID with them. A text/email/phone call is **not** acceptable.

Results can be posted home on results day. A stamp addressed envelope needs to be handed in to the Exams Office before 18<sup>th</sup> July 2025.

Any results not collected or posted home will be emailed to the student's college email address no later than the end of day following results day.

## **Post Results Services (PRS):-**

After students have received their results they can request the following services if they feel the grade is not correct:

- \* Clerical Re-Check – this includes checks that all parts of the exam paper have been marked, the totalling of marks is correct and the recording of the marks is correct.
- \* Review of Marking – this includes a clerical re-check plus ensuring the mark scheme has been applied correctly. A marking error can occur because of an administrative error, failure to apply the mark scheme where the task has only a 'right' or 'wrong' answer, an unreasonable exercise of academic judgement.
- \* Priority Review of Marking – this includes everything in the review of marking but is actioned quickly as a place at university or further education college may depend on grades.
- Access to Scripts – a 'script' refers to the written work of a candidate. Launceston College can request a teacher Access to Scripts to support a candidate who may be considering a request for review of marking.

For the College to access a script the student must give their consent. Students will be asked for their consent once they have received their results.

In the results envelope will be the form to request any Post Results Services – charges apply for services marked \*

## **Exam Certificates**

These will be available for collection from the College after 1st December. Further details on collection dates in December will be publicised on social media and the College website during November.
