

Launceston College

Part of the Athena Learning Trust

For children with an exacerbation of asthma/an asthma attack

We take asthma seriously at Launceston College and have Salbutamol inhalers we may use for students in a respiratory emergency. We must, by law, have a signed consent form from the student's parent/guardian for them to receive these inhalers in a respiratory emergency.

Name of Child _____ Tutor _____

			Initials
1	I can confirm that my child has been *diagnosed with asthma/ has been prescribed a salbutamol inhaler.	*Y/N	
2	My child will carry daily, a working, in-date salbutamol inhaler, clearly labelled with their name.	*Y/N	
3	In the event of my child displaying symptoms of an exacerbation of asthma, and their own inhaler is not available, my child can receive salbutamol from the emergency school supply.	*Y/N	

*delete as appropriate
