## Launceston College Uniform Guide 2025-26

Our official school uniform is exclusively available from our uniform supplier, Price & Buckland, which you can purchase [online](#). This guide will provide full details on all required items and our school's uniform policy. We believe a consistent uniform helps foster a strong sense of community and pride, and we thank you for your support.

The College uniform is worn by all students in Years 7 to 11 when representing the College on their way to and from College, throughout the College day and at important events.

At Launceston College we believe that a smart and tidy appearance is very important for all of our students. We would like all our students and parents to appreciate the part that uniform plays in contributing to the ethos and learning environment of the College.

Our uniform promotes a strong, cohesive, College identity that supports high standards and a sense of identity among students: it seeks to support integration, equality and cohesion amongst students.

We expect all College students to take pride in their appearance and to remember that they are ambassadors for their College.

Students must wear their jumpers or sweatshirts at College, however in individual lessons or tutor times may politely request removal, if required. From May half-term, or earlier depending on the weather, students will be allowed to remove their College jumper. Students will be expected to wear their jumpers again at the start of the Autumn term. Clear communication will be made to students when this requirement has been relaxed.

### **The College uniform is:**

#### **Plain white polo shirt with collar**

When worn the collar must be visible. Shirts must at least be long enough to meet the top of the trousers. Any t-shirt or vest worn underneath the polo shirt must not be visible.

#### **Plain black tailored trousers of a traditional design**

Not skinny trousers, jeans, chinos and trousers with pockets on the legs. Trousers should be full length and meet the top of the shoe. Socks should not be visible if trousers are the correct length. If a belt is worn it must be black.

#### **Plain black tailored pleated skirt of a traditional design**

Skirts should not be of jersey stretch material.

Skirts must not be rolled up and must be worn at the required length for College. See example directly below for required length.

#### **Plain black tailored shorts of a traditional design – can be worn from May half-term until the start of the new term in September only.**

Not chinos, cargo style or shorts with pockets on the legs. Shorts should be on or just above the knee.

**College navy blue sweatshirt or jumper**

With College logo.

**Plain black socks or plain black tights.**

Socks should be on or above the ankle.

The hem of the trouser should cover the top of the socks.

No logos, sports socks, low cut trainer socks, knee length socks or shoe liners.

**Plain black polishable school shoes**

Shoes must be wholly black, with no white or coloured markings and any laces must be black. Trainers, skate shoes, shoes designed for leisure wear, suede or canvas shoes or shoes with prominent logos are not permitted. See images as a clear guide – none look like or could be considered as trainers or leisurewear.

Shoes should be kept clean and smart. Black boots are permitted.

Please pay particular note to the style of shoe, trouser and skirt that are part of College uniform as some shops sell items in school uniform sections that are not permissible at this College.

Our uniform supplier Price and Buckland provides detailed sizing guidance to help you when purchasing items. We hold a selection of uniform items in stock that can be tried on for size before placing your order. Please contact your child's Pastoral Support Worker (PSW) who can help you.

Please make sure that every item of clothing is clearly marked with your child's name. If your child loses an item they should check at reception and seek help from the Year team as soon as possible.

## Branded Items

The only required branded items are the College sweatshirt or jumper with logo and the navy/sky blue polo shirt with logo for PE. All other items required do not need to be branded and can be purchased from any store but must meet our uniform requirements.

## Second Hand Uniform

Launceston Foodbank has a variety of second hand uniform available. We are pleased to partner with them to provide accessible second hand uniform to our school community. We ask for clean and good condition outgrown uniform to be dropped to our donation point in reception. We then donate this to the Foodbank on a monthly basis or when we have a good amount.

## All students

## **Outdoor wear**

Coats, gloves and scarves may only be worn outside College buildings. We encourage students in inclement weather to wear coats that are practical in design – warm and weatherproof. Warm woollen or fleece hats may be worn outside. Fashion scarves should not be worn.

## **Jewellery**

Students may wear no more than a single stud earring in each ear and a wristwatch (not Smartwatch). No finger rings, face piercing (including plastic covers), bracelets, necklaces or other jewellery is allowed and will be confiscated. Items that are confiscated will need to be collected by parents or carers from reception from 1530 onwards.

Belts should fit in belt loops and be black.

## **Other advice:**

### **Forgotten PE kit procedures**

Our expectation and aim in PE is for all students to develop and explore a wide range of practical skills and support their health and wellbeing through raising physical activity levels. To support all students in achieving these aims we have kit procedures in place to support students in being able to access all aspects of lessons on a consistent basis.

Where a student is missing some or all of their PE kit the expectation is for students to borrow spare kit we hold in the department. We have lots of spare kit in a range of sizes which is clean and washed after each use.

## **Hair**

Should be a natural colour and worn in a style that does not compromise health or safety.

Hair styles, including Mohican and other non-gradual changes in length, patterned shaving, and grade 2 or below, are examples of unacceptable hair design.

If there is any question over the nature of extreme hair the Principal will decide.

Long hair should be tied back when requested for health and safety reasons.

Hair ornaments should be no larger than a 50p piece. A single, thin hairband may be worn on the wrist.

## **Make up**

Should be discreet; if it is noticeable it is not discreet. Students will be asked to remove excessive make-up.

Nail-polish is not to be worn.

Eyelash or nail extensions are not permitted

Students will be supported to remove nail-polish, false nails and false eyelashes.

## **Mobile phones**

Students are not to use their phones or any other smart devices inside or outside the building.

Phones should be turned off and in bags. If a student's phone is seen or heard it will be confiscated.

Confiscated phones will only be able to be collected by parents and carers from reception from 1530 onwards. Using a mobile phone anywhere on the school grounds without permission will result in students being sent to Triage.

## **Ear phones, earbuds and smartwatches**

Should not be worn in College

**School bags**

Should be suitable, preferably a backpack or messenger bag that is big enough to hold an A4 folder.

**Chewing gum**

Is not allowed.

**Drinking water**

Is allowed in lessons in clear plastic bottles but is not allowed in science laboratories or areas where IT equipment is in use. Students are responsible for topping up drinking bottles at breaks and not during lesson times. No other drinks are allowed in class.

The following equipment will be checked on a daily basis so students are ready to learn.

- A functioning scientific calculator
- Copy of timetable
- A **clear pencil case** containing:
  - 2 black pens
  - 2 pencils
  - 1 rubber
  - 1 ruler
