**Specification Link:**

<https://www.aqa.org.uk/subjects/geography/as-and-a-level>

## Unit Titles

### Paper 1

#### **Physical Geography:**

Includes the understanding and application of physical geography topics including coastal environment, and water and carbon cycles.

### Paper 2

#### **Human Geography:**

Includes the understanding of application of human geography topics such as as changing places and contemporary urban environments.

### Project

#### **Geographical Investigation:**

Students use the knowledge and skills gained through the course to carry out an enquiry into a geographical concept/issue of their choice. Here they will really develop their fieldwork and geographical communication skills.

### **Entry Requirements:**

5 GCSE's at 9-4 (A\*-C) including minimum of 5 in Maths and English

### **Possible Progression Routes:**

Geography is one of the most diverse topics to study at university level; pupils really can study about any topic related to our world. Geography graduates have one of the highest employment rates.

### **Equipment Required:**

Textbooks will need to be purchased as geography is a subject that requires lots of background reading.

### **Other Relevant Information:**

There will be field trips associated with this course.
